

A woman in a white, flowing dress is captured in a dynamic, dancing pose against a dark, smoky background. The lighting is dramatic, highlighting the contours of her dress and her silhouette. The overall mood is artistic and evocative.

# Ship 3× the creative. Skip the rejections.

HawtAds is the AI ad-creative studio that generates compliant ads — and catches what Meta, TikTok, and Google reject, before you submit.

[Start Free — No Credit Card](#)

# Sound familiar?

3–10 iterations

Per ad just to get specs right

Flagged after submission

Wasted cycles on every launch

Designer stuck reformatting

Not concepting — just resizing

Hidden rework costs

Eating your media budget alive

# Brief to approved in 5 steps

## Brief

Drop your creative direction in one form

## Check

AI scans for platform policy violations instantly

## Adapt

Every size and format generated automatically

## Review

One-click approval workflow with your team

## Ship

Export with a full compliance audit trail

# The numbers don't lie.

-50%

Rejection Rate

Fewer platform flags from day one
